You lead the way, God You're right beside me

Soprano: Noelle, Camille (this is high harmony)

Alto: Annie (Camille if necessary? Tenor & alto are nearly identical)

You take me higher than I've been before
It's Your perfect love that sees me soar
God your freedom is an open door
You are everything I want and more

Rap Greg

(Optional background voices in parenthesis)

Maybe I ain't really know what livin' is (huh?)

Is it love, if it was, am I livin' it? (what?) Do I live in it? (yeah)

So astounding Love is an ocean, you can drown me

The sweet embrace, the lovely taste, I taste and see
I'm under grace, the place to be

It means I'll never need an umbrella, I'm cool in the cold and the hot weather

Whether or never I ever, understand I'm a man in the hands of great plans

I stand with faith in a life I never known or touched, it's still outside my clutch but I'm like what's the dream of? What's the hope in? What's the doubt for? Live to no end

This is living, the life I've been given's a gift If I'm a live it, I'm a live it to death

(Option: Double this part or have group join in)

**So what's the dream of? What's the hope in?
What's the doubt for? And live to no end**

**This is living, the life I've been given's a gift
If I'm a live it, I'm a live it to death, yeah!**

End of Pre-chorus #3 ALL (see pre-chorus parts)

This is living now

This is living now

Chorus #2 ALL (see chorus parts)

You take me higher than I've been before
It's Your perfect love that sees me soar
God your freedom is an open door
You are everything I want and more

No rap option:

Wait 2 counts of 8 when weird music for rap parts starts around 2:17, then sing first 1/2 of pre-chorus (to "found") then sing all of pre-chorus and pick up at the normal "this is living now" part.
