

## TOUCH OF HEAVEN (Original Key of A)

### Soloist and "choir" sing melody throughout

**VERSE 1: Greg solo** (and Spark without mics) all on stools

How I live for the moments  
Where I'm still in Your presence  
All the noise dies down  
Lord speak to me now  
You have all my attention  
I will linger and listen  
I can't miss a thing

**PRE-CHORUS:** Greg stands and walks forward

Lord I know my heart wants more of You  
My heart wants something new  
So I surrender all

### **CHORUS:**

All I want is to live within Your love  
Be undone by who You are  
My desire is to know You deeper  
Lord I will open up again  
Throw my fears into the wind  
I am desperate for a touch of heaven

Ohhhh's

Add **girls on harmony** with mics up to BRIDGE

**VERSE 2: Melissa & Camille** (stand up at end of Ohhhh's and use mics)

You're the fire in the morning  
You're the cool in the evening  
Oh, the breath in my soul  
The life in my bones  
There is no hesitation  
In Your love and affection  
It's the sweetest of all

### **PRE-CHORUS 2:**

Lord I know my heart wants more of You  
My heart wants something new  
So I surrender all

**CHORUS 2:** Ryan and Annie (stand and use mics)

All I want is to live within Your love  
Be undone by who You are  
My desire is to know You deeper  
Lord I will open up again  
Throw my fears into the wind  
I am desperate for a touch of heaven

### **BRIDGE:** Ohhhh's (ALL IN UNISON)

(Soloist skips the last line of Ohhh's to come in on his next line. Choir finishes last line of Ohhh's)

**Only Greg uses mic** (Spark without mics):

I open up my heart to You  
I open up my heart to You now  
So do what only You can  
Jesus have Your way in me now

**ALL IN UNISON W/ MICS:** (Ryan says: "Come on!" **JOYREPS enter the stage singing**)

I open up my heart to You  
I open up my heart to You now  
So do what only You can  
Jesus have Your way in me now
